Originally from a small New England town shrouded in mystery, Matthew Cesca currently resides in the unforgiving deserts of Arizona. He has a teenage son and is surrounded by an assortment of cats.

Matt is a fantasy, science fiction, and horror author with multiple published works and just as many works in progress. He asks that you not get too attached to any of his characters. It rarely ends well for anyone involved.

## THE FORBIDDEN SCROLLS

He left her for dead.

It was supposed to be a job like any other – sneak in, grab the scroll from the vault, and get out. It didn't matter to Juliya what the young sorcerer wanted it for, he was paying well enough. That is, until he double-crossed her.

Now Juliya has a choice: track down Frost Dirvent and the forbidden scroll of fire that she stole for him, or be turned over to the guards.

Despite her misgivings, Juliya must work with a group of adventurers to track down Frost and reclaim the scroll before he can use its powers against an unsuspecting world. But the journey to stop him will take her to the last place she ever wanted to return to: Home.

## REDEMPTION & RUIN

The search for the forbidden scrolls continues in Redemption & Ruin.

Disaster has struck! Frost Dirvent has used the legendary scroll of fire to murder thousands of innocents. Now the vile sorcerer has continued his quest to collect all of the forbidden scrolls scattered throughout Teren'vei.

It's a race against time for Juliya and her friends. They'll need to cross the entire continent and bring two desperate groups of paladins together to have any chance of stopping Frost before he can use the scrolls again.

United with the champions of the gods, Juliya must stand against a threat unlike any seen in thousands of years: an army of the dead and a necromancer who can bend the elements themselves. Can they stop Frost from recovering all of the scrolls and rebuilding his family's once glorious empire? And even if they succeed, what will be the cost?

## THE LOST SORCERERS

An army of the dead marches across Teren'vei with Frost Dirvent at its helm. Only one of the ancient forbidden scrolls remains between the necromancer and ultimate power as he cuts a swath of death across the continent. With each fresh kill, his army swells.

Adrift in a sea of grief, Juliya must find herself once more. Frost has an expanding list of crimes to answer for with each passing day, and his strength continues to grow. What can a single thief do against such power? Will her quest for vengeance end with the ultimate sacrifice? Or worse yet, failure?

Time is short for the chosen champions of the gods. They will need an army if they're to stop Frost from returning Teren'vei to an age of darkness. And one of their own needs to learn how to unlock the magic in his blood if they are to have any hope of success.
